

R-279

Heavy insulated waterproof glove protects against impacts in sub-zero conditions.

Cold

Medium Duty

Heavy thermal insulated impact protection with waterproof barrier and genuine leather palm, for comfort and durability in extreme elements.

The Ringers 279 Heavy Duty Sub-Zero Thermal glove combines impact protection with 150g insulation, a waterproof barrier, and a genuine leather palm with PVC grip patch system, providing unstoppable protection against the elements.

- Developed with Ringers' F3 Technology™ and patented TPR design for superior dexterity and comfort.
- Touchscreen compatible index, middle and thumb tips lessen the need to remove gloves.
- High visibility red, reflective details, and a gaiter closure increases safety and security.

Industries

- Construction
- Oil and gas
- Mining
