

SHOWA 660

Armored with triple-dipped heavyweight PVC coating, SHOWA ATLAS 660 remains undefeated in ultra-durable chemical protection and second-to-none in comfort.

[FEATURES

- Triple-dipped heavyweight PVC coating
- Flexible rough textured finish over entire hand
- 12" long
- Ergonomic design
- Seamless knit

[BENEFITS

- Provides heavy-duty defense against chemicals and abrasion without sacrificing dexterity
- Soft cotton liner absorbs perspiration for comfortable continuous wear
- Offers high-performance grip and tactile feel in greasy and damp environments
- Improved hygienic design helps prevent odors
- Extended edge protects wrists
- Mimics the curvature of a human hand to reduce fatigue
- No skin irritation
