

Food Safe Cutter

DFC-364NSF* Disposable Film Cutter

Product bags are easy to cut. Hold top of bag and then start cutting by pulling towards yourself.

Just push tape splitter into product plastic/cryovac to begin cutting and pull to the desired cut length.

Fixed stainless steel blade

Attach to lanyard (CL-36) for safe keeping

NOT FOR CARDBOARD CUTTING

- **Eliminate loose blades from the workplace**
- **Cut cryovac, food bags, shrink wrap, and box tape**
- **Long-lasting stainless steel blade**
- **Economical**
- **Easy to clean and sanitize**
