Advantage

Designed for Long-Term Use

Dispensers and stands made of powder coated steel are both attractive and functional, providing years of service.

Major Benefits

Durable

Our powder coated steel dispensers and stands provide long-lasting products that hold up well in tough environments.

Cleaning

The powder coated finish resists common chemicals and cleaning agents and can be easily wiped clean with soap and water.

Strength

Powder coated steel is ideal for dispensers used in a healthcare or an industrial setting. It is impact resistant and is not effected by extremes in temperature.

Appearance

The clean, bright appearance of quartz powder coated steel looks attractive and provides a professional image in all environments.
