

Hydraulic Schematic

|     |                 |  |                             |
|-----|-----------------|--|-----------------------------|
| 10  | Check Valve     |  |                             |
| 9   | CE Top          |  | Aluminum                    |
| 8   | EndHead         |  | Aluminum                    |
| 7   | Pump            |  | 2.17cc/r                    |
| 6   | Check Valve     |  |                             |
| 5   | Reversing valve |  | Hand operating, with switch |
| 4   | Relief Valve    |  | 2537PSI                     |
| 3   | Motor           |  | 12VDC,2HP                   |
| 2   | Suction Filter  |  |                             |
| 1   | Tank            |  | Steel,3L                    |
| NO. | Name            |  | Technical data              |

Name: Hydraulic Power Unit

Rev.: O
