5055 SensaGuard Disposable Specification Sheet

PRODUCT DESCRIPTION:

Rubber latex is, by its very nature, a natural substance. The natural rubber latex polymer used in the manufacture of natural rubber gloves is a biodegradable material that is inherently antimicrobial and antibacterial. The SensaTouch™ latex 5055 features 5 mil thickness, industrial food service grade, smooth finish and is powder free. These products contain natural rubber latex which may cause allergic reactions in some people. Looking for the best disposable latex gloves? Look no further than MCR Safety!
