

# 1 STEP CLEANING & DISINFECTING

## FORCE ANTIBACTERIAL DISINFECTANT WIPES

BUCKET : 2XL-400 | REFILL : 2XL-401

**FORCE Wipes use a cutting edge formula to kill today's most dangerous pathogens without the odor, skin irritation or surface damage caused by other cleaners**

- Quickly cleans & disinfects in one simple step saving time & money
- Effective against modern & resistant pathogens including MRSA, Norovirus and more
- Will not damage non-porous surfaces including leather, vinyl, metal & finished wood
- Safe to use on keyboards, mice, computer equipment, printers, etc
- Low odor, not a skin irritant, and safe to use in any environment. Even around kids
- Exceeds CDC guidelines for healthcare disinfection

## DISPENSING OPTIONS

- Made from only the highest quality materials for maximum durability
- You can also just set out the bucket with no additional dispenser needed
- Stands require a bucket to dispense wipes
- Use refill rolls in wall-mount dispenser & to refill empty buckets
- Guardian Stand can be used with or without hand sanitizer
