

NEW THE *BEST-IN-CLASS* STRUCTRON® BRAND NOW INCLUDES A HIGH-VISIBILITY SAFETY LINE!

**THE PROGRAM INCLUDES
THESE TOOLS:**

Our new Structron® Safety line is an excellent addition to any crew looking to increase worker visibility & safety during daylight & nighttime hours. Like high visibility safety clothing, Structron® Safety tools are safety green and utilize (2) **3M® Series 983** tape accents made of highly retroreflective microprismatic markings, designed to enhance visibility and detection, that meet or exceed all Federal Motor Vehicle Safety Standard 108 requirements, including, DOT – C2 Certification Mark requirements for Reflectivity.
