HELPS YOU MEET LEAD SAFETY STANDARDS

# PEEL & STICK ZIPPER

 **SUPERTUFF™**  
**WE'VE GOT YOU COVERED.**

## QUICK, EASY AND CONVENIENT

The Trimaco SuperTuff™ Peel & Stick Zipper creates an instant door on tarps, plastic coverings and shrink wraps. It provides instant resealable access within plastic sheeting, tarps and poly or vinyl fabrics. Zipper is double sided for ease of operation from either side. Use two for roll-up door. Ideal for home, construction and marine applications. Use on the jobsite for hazardous material abatement stations and creating dividers for cleanroom environments. Complete instructions included.

Federal law requires that contractors performing renovation, repair and painting projects in homes, child care facilities and schools built before 1978 must be certified and trained to follow specific work practices to prevent lead contamination. The Peel & Stick Zipper helps you meet lead safety standards.

Item #	Pack	Size
06184 Heavy Duty Fabric Adhesive Zipper 2pk	12	2¾" x 7'

**CREATES INSTANT DOOR ON TARPS, PLASTIC COVERINGS & SHRINK WRAPS**
