## PRODUCT DESCRIPTION

Level Sense (by Sump Alarm) is the all purpose basement or room protector (Indoor Only). This industry leading sump pump and home environmental alarm is packed with features at an economical price.

Level Sense Sentry allows you to set alarms based on power failure, water leaks and water level, and sends text and email notifications and sounds a 100dB horn when alarm conditions occur.

Alarms can also be configured to be sent to unlimited recipients as well.

Level Sense Sentry can also detect leaks, alert if AC power is lost to the unit. User can add unlimited sensors on 2 zones, at their convenience.
