

# Extra-Large Hand Brush

Series 3892

This large hand scrub brush with flared bristles enables you to clean tables, chopping boards, buckets, large bowls, and other equipment where it is necessary to reach into corners. The larger size makes cleaning easy and efficient.

## Extra-Large Hand Brush

3892

The Extra-Large Hand Brush is designed to clean large surfaces efficiently. The stiff bristles make the most of manual cleaning power and are able to clean the toughest messes, whether it's being used wet or dry.

## The Color-Coding System

Remco and Vikan® brands offer an integrated color-coding system to help mitigate the risk of cross-contamination in food processing facilities. With an array of color-coded tools and storage brackets, and years of experience building effective color-coding systems, the experts at Remco Products Corporation can help you effectively apply color-coding to divide and identify different zones or processing tasks. As a result, workers can more easily comply with material handling and hygienic cleaning procedures to maintain stringent food safety standards.
