

**Reach high ceilings
without a scissor lift
or scaffolding!**

**Save
time & money.
Improve
safety!**

Plastic sheeting not included

ZIPPOLE® SPRING-LOADED POLES

ZipWall® 20

**Indispensable for high ceilings
— great for smaller jobs too**

Set up a tight dust barrier up to 20' high in just a few minutes with the versatile ZipWall® 20 spring-loaded, twist-locking poles. Perfect for standard-height ceilings as well.

- Strong and lightweight anodized aluminum construction
- Telescope up to 20' high (from 5'2")
- Innovative non-skid, non-marking head and plate

No ladders, no tape, no damage

ZipWall® 20 2-Pack

Patented

Use with plastic sheeting or ZipFast™ reusable panels.
