

BECAUSE YOU TAKE **SAFETY** PERSONALLY

# SPILL KITS & REFILLS

Don't compromise! Take advantage of Grainger's Condor line of absorbent and spill control products designed to meet your needs without breaking the bank. Single-ply construction provides you with the absorbency you need without the added bulk or cost. Versatile spill kits can be placed around your facility in case of emergency. Plus, Condor features a full line of pillows, booms and socks to suit all of your absorbent applications.
