

## DEF DRUM PUMP 6GKR4

### TECHNICAL data sheet

#### DEF PUMP PACKAGE

DEF pump packages are engineered to transfer AdBlue (AUS32) Diesel Exhaust Fluid (DEF) directly from barrels, drums and Intermediate Bulk Containers (IBC). Packages include sealless pump, variable speed motor, dispensing nozzle (manual or auto-shut off), compatible hose and barrel adapter.

#### APPLICATIONS

- Diesel Exhaust Fluid

| TECHNICAL SPECIFICATIONS |   |
|--------------------------|---|
| Package                  | Motor, Pump, Hose, Barrel Adapter & Hand Nozzle |
| Motor Type               | Air, 1/2 HP (370w)                              |
| Wetted Parts             | SS316, PTFE, Polypropylene, Carbon, EPDM        |
| Pump Length              | 50" (1270 mm) (IBC)                             |
| Discharge Hose           | CarboBlue, 8ft (2,4 m), 3/4" (19 mm) I.D.       |
| Hand Nozzle              | Auto Shut-Off, 316SS                            |
| Maximum Flow Rate        | 8 GPM (30 LPM)                                  |
| Maximum Viscosity        | 450 cps (mPas)                                  |
| Maximum Temperature      | 130° F (55° C)                                  |
| Shipping Weight          | 23 lbs. (10, 45 kg)                             |
| Package Number           | 6GKR4   |
| Motor                    | 6GKR4   |
| Air Consumption          | 22 cfm @ 90 psi<br>(10.4 L/sec @ 6, 2 bar)      |
| Pump Tube                | 6GKR4   |
