

FACT SHEET

Head Protection

Condor personal protective equipment offers you a wide range of high-quality gear that fits your budget. Protect your workers with products that meet or exceed relevant safety standards. **Exclusively from Grainger.**

ANSI Standards

All caps and hard hats fit head sizes 6 1/2 to 8".

ANSI/ISEA-Z89.1-2009

Meet impact and penetration resistance requirements.

Insulation Classifications:

Type I (Impact): Reduce the force of impact caused by a blow to the top of the head only.

Class E (Electrical): Proof tested at 20,000V.

Industries & Applications:

- Construction
- Chemical Processing, Oil Refining and Petrochemical
- Public Utilities

D7691
