ONE SIZE FITS ALL STRETCH KNIT RETAINS
SHAPE **AND** HEAT RESISTANCE
AFTER REPEATED WASHINGS

Hot Not™ gloves and sleeves work
because they are made with Dupont's Nomex® IIIa.
When it comes to protecting you from heat, nothing
works like Nomex®. And most importantly, Hot Not™
gloves and sleeves cool down almost instantly
after removal from heat source.

SEAMLESS FROM
FINGERTIP TO WRIST,
FITS LEFT OR
RIGHT HAND

Mechanics, industrial/factory workers,
dry cleaners, etc. can safely
and comfortably work around
and even handle extremely hot
objects without fear of burning
their fingers or hands thanks
to Hot Not™ gloves and sleeves.
