

ERGOTECH INSOLES

- Ergonomically designed to provide cushioned support and shock absorbing comfort
- Versatile, lightweight insoles provide arch support, comfort and shock protection
- Help protect against back and knee pain and foot injuries such as plantar fasciitis
- Sorbothane insoles have proven to be a great defense against foot pain, back pain and impact-related injuries such as Achilles tendonitis, runner's knee and shin splints
- Sorbothane offers 94.7% shock-absorption, positioned at point of impact to reduce pain, jarring, fatigue and risk of injury
- Recommended by Doctors, sports medicine specialists and professional trainers worldwide
- Durable and long-lasting insoles retain their shock absorbing benefits significantly longer than any other insole on the market

ULTRA WORK-SPORT™

A true performance replacement insole featuring a cupped heel and molded arch for stability along with Sorbothane inserts for foot-strike protection. Works well in athletic shoes or work shoes. Antibacterial soft fabric cover wicks away moisture. Comfort and protection for sports and work shoes and boots

ERINWRK - see size chart

CLASSIC FLAT

Made of 100% Sorbothane for maximum head-to-toe protection and cushioning. Thin profile inserts can be used as an add-on insert as well as a replacement insole. Incorporates airflow channels for superior comfort. Flat style with moisture wicking fabric cover

ERINGEL - see size chart

ULTRA ORTHOTIC-ARCH™

Combines orthotic arch support with Sorbothane foot-strike protection. Flexible graphite composite arch for maximum support, stability and comfort. Sorbothane heel and metatarsal insert ensures extra rebound with foot strike protection for a smoother, springier toe-off. Molded style with cupped heel

ERINGRA - see size chart

SORBO-AIR®

Air-infused Sorbothane foam offers lightweight comfort with the addition of 100% Sorbothane layer for heel strike protection and cushioning. Molded with cupped heel for rear foot stability. High-performance insole is for fitness enthusiasts, runners and walkers seeking extra arch support, comfort and rebound

ERINWAL - see size chart

SORBO-GEL®

TRIM-TO-FIT. 100% Sorbothane offers excellent wear and comfort. Perfect for everyday use, this trim-to-fit multi-purpose insert helps to provide comfort. Put SorboGel Inserts in dress or casual shoes. Reduces pain in feet, knees, hips and lower back
