

IndestrucTable^{T00} Folding Tables

Strong. Durable. Multi-purpose.

Indestructable^{TOO™} Folding Tables

IndestrucTableTOO™ is the broad line of lightweight, durable folding tables to meet any need or function for business, schools, hospitality or home uses. This contemporary looking table has many unique features. The top is constructed of durable, blow molded high density polyethylene has a soft, beveled radius edge and is supported by a uniquely designed, strong, steel frame. Legs are heavy gauge, gray powder coated round tubing with bracing for strength, and include non-mar plastic feet. Legs fold into protective cavity for compact storage. Washable, dent and scratch resistant. Table height is 29" and will accommodate large, evenly distributed loads.

Folding table top is designed to "nest" when stacking to allow maximum storage capacity.

IndestrucTable TOO 1200/600 Series is lightweight and portable – Easy to transport and store.

Sturdy table cart for storage and transportation of up to 20 tables.

Features

- **Lightweight** easy to transport, set-up and store
- **Resin Construction** table top is blow molded high density polyethylene
- **Contemporary Design** top has a soft, 1" beveled radius edge
- **Indoor or Outdoor Use** function and flexibility
