

HIGH PERFORMANCE INDUSTRIAL MARKERS

109 PETERSON HOLDER

This sturdy wooden holder makes grade marking and other lumber/timber marking easy and helps prevent crayon breakage.

FEATURES & BENEFITS:

Adjustable locking ring keeps markers in place during use

Comfortable leather wrist strap fits over gloves and reduces dropping

Designed for use with the following Markal markers: SCAN-IT® Plus 1/2" (1.3 cm) hex and other hex-shaped Markal markers

For extended marking distance, a 36" (0.9 m) extension is available for special order

Length: 5" (12.7 cm)

Made in U.S.A.
