

PIG® Water-Repellent Oil-Absorbent Medium-Weight Mat Roll

#26400 - Medium-weight • 30" x 150'

If you need to clean up oil-based spills, but can't afford to waste absorbency on water, you need PIG® Oil-Only Mat. Unlike rags or floor sweep, it quickly soaks up gas and oil but repels water from rain, slush, washdowns, ponds, sumps and more.

- Eight layers of 100% polypropylene are thermally bonded to make PIG® Mat the strongest mat on the market; won't rip, fray or fall apart, even when saturated
- Highly absorbent material traps liquids, so it won't drip or leave behind fibers when you pick it up; spend less time collecting used absorbent between jobs
- Exclusive dimple pattern speeds wicking of liquid toward dry spots on Mat, so messes disappear fast, cleanup is simple and you use more of each Roll
- Safely absorbs and retains oils and oil-based liquids—including lubricants and fuels—while actually repelling water
- Floats to clean up oil-based liquids on water
- Use outdoors or indoors during inclement weather to avoid wasting capacity on rain and melted snow
- Stakes down easily without rocks or blocks; help avoid soil and groundwater contamination by stationing outside in bulk fluid areas
- Bright white color makes oil stand out; draws attention to leaks and clearly shows saturation level of Mat
- Medium-weight construction is strong for long-term use at workstations, in service bays or under equipment
- Easy-tear perforations, both vertical and horizontal, let you take only what you need; more efficient to save money and eliminate waste
- Rolls are ideal for covering large areas and supplying smaller pads for spill cleanup; maximize savings by buying in bulk
- Self-extinguishing material helps eliminate fire hazards; melts instead of burning if contacted by direct flame
- Can be wrung out, compacted and/or incinerated after use to better manage waste streams

ITEM: 26400 - Pg 1 of 2

26400 Specifications

Color:	White
Dimensions:	30" W x 150' L
Mat Weight:	Medium-weight
Fluids Absorbed:	Oil-based Liquids But Not Water
Recycled Content:	50% Recycled Content
Absorbency:	Up to 32 gal. per roll
Dispenser:	No
Perforated:	Every 10" Lengthwise & Centered Widthwise
Poly-Backing:	No
UV Resistant:	No
Sold as:	1 roll
Weight:	24 lbs.
# per Pallet:	16
Composition:	100% Polypropylene
UNSPSC:	47131901

Technical Information

Warnings & Restrictions:

There are no known warnings and restrictions for this product.

Technical Documents:

(Available at newpig.com)
Product Data Sheet (PDS)

26400 Metric Equivalent

Dimensions:	76.2cm W x 46m L
Absorbency:	Up to 121.1 L per roll
Weight:	10.9 kg
