

PIG® Universal Absorbent Sock

#35701 - 3" x 42" • Absorbs up to 96 oz. per sock • 12 socks

Surround and soak up leaks and spills to help keep floors dry and workers safe. Wrap flexible, self-contained PIG® Socks around tanks, drum areas and puddles to halt the spread of liquid while the Socks' thirsty absorbent filler absorbs it!

- Moldable Socks surround equipment, drums or tanks and contain spills to keep them from spreading into walkways; also great for catching liquid that seeps under overhead doors
- Contained absorbent makes cleanup quick and easy
- Thirsty 100% PIG® Mat filler; polypropylene is highly absorbent and chemical resistant
- Polypropylene skin is chemical and tear resistant; reduces dust and holds in liquid, even when fully saturated
- Safely absorbs and retains oil, coolants, water, grease, gasoline, solvents, auto fluids, paint overspray, battery acid and most other liquids
- Wringable for reclaiming absorbed liquid; can also be compacted or incinerated after use to better manage waste streams

Always in stock. Ships within 24 hours.
