

PIG® Absorbent Pillow

#PIL204 - 10" x 10" x 2" • Absorbs up to .5 gal. per pillow • 40 pillows

When the situation calls for more than a mat, our high-capacity pillows deliver the absorbency you need.

- Pillow has large surface area, high capacity and fast-wicking filler to quickly soak up liquids
- Polypropylene skin resists tearing; reduces dust and holds in liquid, even when saturated
- Cellulose filler is highly absorbent for long-term use or big spill cleanup
- Compact design is great for catching persistent drips and leaks in small spaces or adding absorbency for spill response
- Absorbs most common industrial liquids - oils, water, solvents, coolants; not recommended for acids, bases or other corrosive liquids
- Recycled content is ideal when green products are desired or required
- Can be incinerated after use to reduce waste or for fuels blending

Always in stock. Ships within 24 hours.
