Specification & Data Sheet

**Requires protective eyewear
sold separately**

Part Number

38410 – Clear Crown/Chin Guard with Clear Window
38440 – Clear Crown/Chin Guard with Clear Anti-Fog Window

Description and Performance

Sellstrom's face shields have a robust combination of light weight, high strength and clarity. Our new 384 series face shields incorporate a clear polycarbonate crown and chin guard for high clarity and increased visibility. It is ideal for low light job environments as the clear crown and chin guard increase your panoramic vision. Includes an adjustable twenty eight position ratchet headgear suspension that offers customization to individual users at the turn of a knob.
