

# DUCT COVER SHIELD SELF-ADHESIVE FILM

by Surface Shields

The ultimate film for duct protection. Duct Cover Shield is a self-adhering protective film for HVAC ducts. It has a very high adhesion, yet it won't leave a residue on metal after removal. This durable film is very resistant to tears and punctures. Duct Cover Shield also helps to meet SMACNA guidelines for providing temporary closures on open ductwork.

- Self-adhering protective film for HVAC ducts
- Very high adhesion for all types of ductwork
- Will not leave a residue on metal after removal
- Highly resistant to tears and punctures
- Helps to meet SMACNA guidelines for providing temporary closures on open ductwork
