

PRO SHIELD

REUSABLE SURFACE PROTECTION

by Surface Shields

Pro Shield is a light weight, rolled matting that protects floors, counters and other surfaces from damage and debris. Its felt material is highly absorbent and the rubber backing prevents liquids from soaking through. Pro Shield is widely used among the mover, RV and construction industries. Use it to protect hardwood, ceramic tile, carpet, marble, granite and more. It's also slip resistant which provides for a safer work environment.

- All purpose hard surface protection
- Highly absorbent
- Leak-proof backing
- Slip-resistant, lightweight and flexible
- Keeps job site floors and counters safe from damage and debris
