

# Float like an Eagle

## WOOSTER® Epoxy Glide™

Span the floor with grace and brilliance using this professional Wooster product. Epoxy Glide is designed to quickly and evenly apply all epoxies and urethanes, waterborne or solventborne. The patent-pending fabric provides majestic pickup, release, and flow. Very low lint characteristics make it a rare bird, indeed. It lays down and levels out the coating like no other applicator.

### Epoxy Glide

- Exclusive, dark gray, shed-resistant fabric for all epoxies and urethanes
- Great pickup, release and flow for fast results
- Green™ double-thick polypropylene core resists water, solvents, and cracking (4" length has clear, single-ply polypropylene core)
